

ADDENDUM SEVEN to Bid #17-01

Labor, Equipment and Materials to Install Sports Field Lighting Hillsborough County Countywide Soccer Complex

1. The bid date is extended to December 13, 2017 at 10:00 AM.
2. No further addenda that materially affect the bid will be issued.
3. The requirements as outlined in Paragraph 1.3, D. of Specification 26 56 68, are modified as follows and supersedes the previous Addenda. The requirements may be submitted after the award, but not later than with the complete construction document package submittal. If the report is not submitted with the bid, then a letter shall be included with the bid that states that the photometric report required by Specification 26 56 68, paragraph 1.3, D., will be provided to the Engineer if awarded the project.

All other photometry and light control data required by Specification 26 56 68 shall be submitted with the bid, including but not limited to, complete point-by-point light level data for all fields, and all spill light control data at the property line and 150 feet beyond the property line.
