

ADDENDUM No. 1 (November 30, 2022)

ADDENDUM TO: Advance & Day of Sale Parking Services, Raymond James Stadium

RFP NUMBER: 22-01

RFP DUE DATE: Tuesday, December 6, 2022 *not later than* 10:00am

TO PROPOSER: This addendum is an integral part of the proposal file under consideration by you as a proposer in connection with the subject matter identified above. For clarification, the following additions, changes, modifications, and replacements noted below have been made to the proposal and have been made to the proposal file which bears the above title. Proposals submitted shall conform to these additions and modifications noted herein to include all issued addendums.

Questions and Responses

1. Since the RFP is for Advanced and Day Of sales, will the Tampa Sports Authority allow a stand-alone submittal for parking payment services only, or is a joint submittal with an event handheld partner the Authority's preference? **We do not want a stand-alone payment services submittal; we require the submittal to be all in one to meet the needs of the requirements listed.**
2. Can you please confirm that the "Number of Copies" requirement on page 11 of the RFP only pertains to those who wish to submit physical copies and that the Tampa Sports Authority is accepting single-copy electronic submissions via email? **If you are emailing your submittal, the sole email will suffice. Email proposals to bids@tampasportsauthority.com. If you are submitting paper proposals, you must submit your document on a thumb drive and/or submit one (1) unbound copy and three (3) bound copies.**
3. I would like to ask you if it is possible to send me a bidder list for RFP #22-02 Advance and Day of Sale Parking Services, Raymond James Stadium? **I've attached the release list and registrations. The Authority did not have a mandatory pre-proposal conference; therefore, these lists don't mandate the only companies who may submit proposals for this RFP.**

4. I would like to ask you if it is possible to submit international references for this RFP. **Yes. Also, please review and use the attached revised "Proposal Qualification/Reference Form".**

5. What is the seasonality of events (if any) on an annual basis? Are there typically "off-season" months without events? Or are there events every month year-round? **We host events year-round to include football games that take place between the months of August and January as well as other large stadium events all year long and several other small stadium events that we charge for parking throughout the year. This RFP is for a year-round service as we have had events scheduled every month that this would affect.**

.....

Note: To qualify your proposal, of which this addendum becomes a part, this form must be completed and returned to this office with the proposal.
