

ADDENDUM No. 2 – (September 19, 2017)

ADDENDUM TO: Labor, Equipment & Materials to Install Steel and Wooden Bollards, RJS

BID NUMBER: 16-22

NEW BID DUE DATE: **Wednesday, September 27, 2017 not later than 10:00am**

TO BIDDER: This addendum is an integral part of the bid file under consideration by you as a bidder in connection with the subject matter identified above. For the purpose of clarification the following additions, changes, modifications and replacements noted below have been made to the bid and have been made to the bid file which bears the above title.

Bids submitted shall conform to these additions and modifications noted herein and including all issued addendums.

ANSWERS TO QUESTIONS

1. Notice to Proceed will be issued once materials have been procured. Anticipated completion time is 4 weeks.
2. Contractor to provide paint for steel bollards; coordinate shade of red with TSA.
3. Diameter range of 10” to 12” for wooden bollards is acceptable.
4. Lifting “hole” shown on bollard drawing is not required.
5. A turn style at the midpoint of roadway leading into grass parking lot from Tampa Bay Blvd is mistakenly called out in the documents. There are two concrete posts and a metal gate in this location. Gate and existing bollards need to be removed, and removable steel bollards installed in the same location. Two bollards are to be installed in the same location as the concrete bollards and the others in line across the entire roadway.

Note: To qualify your proposal, of which this addendum becomes a part, this form must be completed and returned to this office with the proposal.
