RE: RFP 23-02 (Portable Vehicle Mitigation Barriers, RJS)

Please be advised that sealed and electronic proposals regarding the above referenced item were received on Wednesday, December 6, 2023 at 10:00a.m. This RFP was released to ten (10) potential bidders via TSA's vendor list and multiple vendors via DemandStar. A total of six (6) companies submitted proposals.

It is the staff's recommendation that the proposals received from **Advanced Security Technologies** for the barriers and **Meridian Rapid Defense Group** for the archer beam gate system be accepted as the most responsive and responsible proposers meeting requirements and specifications.

Let this notice serve as an *Intent to Dually Award* this proposal to **Advanced Security Technologies and Meridian Rapid Defense Group**.
