DATE: March 24, 2017

RE: Recommendation for Award – BID #16-03 (**Stadium Seating Color Restoration**)

Please be advised that sealed bids for the above-referenced services were received on Wednesday, March 1, 2017 at 10:00 a.m. The bid was publically advertised and a total of four (4) companies attended the mandatory prebid meeting. Three companies responded to the bid. A Statement of No Bid was submitted by Service Painting, Inc and Global Sign Restoration, Inc. One responsive bid in the amount of \$315,000 was submitted by Seat Renew Global Ltd. The bid was evaluated and a lower cost of \$273,278.00 was negotiated with the company. This reduction represents a correction of the quantity of seats to be restored as well as a reduction in the labor cost and insurance fees. Based on the ability to provide services and meet the project specifications, Tampa Sports Authority has determined Seat Renew Global Ltd is the most qualified and responsive bidder.

It is staff's recommendation that the board grant approval to the Authority to enter into an agreement with Seat Renew Global Ltd. in the amount of \$273,278.00.
